Agenda Title:
Authorization for the approval of the updated Purchasing Policy.

Citywide

ISSUE AND BACKGROUND:

The State made changes to the threshold for Public Works construction contracts during the 2025 General Session increasing the threshold for sealed bids from \$100,000 to \$250,000. The City mirrors the State for Public Works contracts so we need to make the update. The City also wants to increase the sealed bid threshold for non-public works contracts from \$50,000 to \$100,000. Several other minor tweaks and adjustments to the policy have also been made in this update.

RECOMMENDATION / REQUESTED ACTION:

Recommend authorization for the approval of the updated Purchasing Policy.
