Citywide

ISSUE AND BACKGROUND:

As part of the 30 year rehab plan, Water Sewer Utilities requested unit price bids for yearly CIPP (cured in place pipe) for the city's 60 miles of clay pipe to be lined. Based off of actual scenarios with unit pricing, Federal EC LLC was the lowest bidder. Our in-house CCTV and inspections division will inspect for deficiencies and when found the contractor will be called to line said area based off of findings such as root intrusion and cracked/broken clay piping.

RECOMMENDATION / REQUESTED ACTION:
