SUBJECT: **Recommendation – FY2024 Replace Police Pursuit Vehicles**

The Police Department needs to replace three (3) pursuit utility vehicles that were previously wrecked. The Police department has reusable equipment (cages and radio consoles) that can be fitted on new 2023 vehicles. The option to reuse our existing equipment will save time and money as the turnaround time for new equipment is 4 to 5 months. Police and Purchasing contacted Wade Ford, Allan Vigil Ford, and Phil Brannen Ford for availability of vehicles.

Wade Ford has 2024 pursuit vehicles on order that could be delivered sometime in March, but the models are not compatible with the reusable equipment. Allan Vigil Ford did not provide information.

Phil Brannen Ford has three (3) 2023 models available that are compatible with our reusable equipment and can be delivered as soon as possible.

Vendor	Description	Total
<b>Phil Brannen Ford</b>	<b>2023 Ford Pursuit Utility - \$43,471.00 per vehicle</b>	<b>\$130,413.00</b>
Wade Ford	2024 Ford Pursuit Utility - \$42,902.00 per vehicle	\$128,706.00

**TOTAL COST FOR VEHICLES: \$130,413.00**

Due to the vehicle availability and compatibility with our existing equipment, it is the recommendation of Police and Purchasing to award purchase of three (3) 2023 Ford Pursuit Vehicles to Phil Brannen Ford. Please prepare any necessary paperwork to present to Mayor and Council for approval. Please prepare Purchase Requisition once awarded.
