Agenda Title:

Approval to renew the contract on the Omnia Partners Cooperative with Mansfield Oil, Gainesville, Georgia, to provide the City with gasoline and diesel fuel and authorize the Mayor to sign and execute all related documents.

Citywide

ISSUE AND BACKGROUND:

The City of Smyrna has been a member of the Gwinnett County Fuel Co-op with several other agencies since approximately 2012. At that time, Mansfield Oil was the awarded vendor. Gwinnett County awarded a new contract to primary contractor James River Solutions in February 2021 and since that time we have continued participation. Service, delivery, price and billing consistency has continued to decline. Mansfield Oil has provided a solution on the Omnia Partners Cooperative.

The Fuel Cost is based on the following formula:

$(\text{OPIS rate} + \text{Discount}) + \text{Freight} = \text{Price per Gallon}$

Product Diesel: OPIS Average $-\$0.0075$

Gas: OPIS Average $-\$0.0094$

Freight Charges (Freight charges are a pass through under the OMNIA contract)

Estimated Freight - Diesel: $\$0.0279/\text{gallon}$

Gas: $\$0.0239/\text{gallon}$

Pump Fee: \$Cost

Split Fee: \$Cost

Min Freight: \$Cost

Example Cost Comparisons: Mansfield Oil (Gainesville, GA)
