

Hi Ashley,

Please review the provided information for the City of Smyrna to review in Smyrna Is Fabulous' request to have alcohol sold and served (provided by Atkins Park and staff) at the Pride Festival on 6/22/24.

The following information is what our Board of Directors have discussed and what Kevin Drawe/Atkins Park has agreed.

- Drink cart / jockey box will sell beer and wine; A "signature drink" will be offered.
- Hours of service will be during festival hours, 12:00-6:00PM
- Controls plan will be to check ID prior to serving alcohol
- Location will be just east of the Gazebo in Smyrna Market Village on the sandstone paved area between the two W. Spring Streets (approx. 53ft from the gazebo. Please review attached map with location site).
- Atkins Park will provide Smyrna Is Fabulous with COI
- Atkins Park to work directly with City of Smyrna in providing permitting information

Thank you for your review and consideration. Please reach back out with any other questions.

Leah Bulow
