Approval to award to K.M. Davis Contracting Co. Inc, 3259 Austell Road, Marietta, Ga 30008, in the amount of \$69,265.00 to be funded from Stormwater CIP for the construction of a storm drain system behind the residences at 4650 and 4670 Derby Lane and 4700 Harness Court.

***Ward 4 Councilmember - Charles Welch***

**ISSUE AND BACKGROUND:**

At the time of construction, a stormwater flow path was designed to “daylight” before entering back into a piped storm system. Over time, the steep terrain has eroded and the debris that has been transported has hastened the pipe failure of the downstream pipe system. Of note, the upstream pipe system has already failed and been replaced by City crews. This proposed piped system connection will preclude further erosion and enable the downstream pipe to be lined with a CIPP process under a separate contract.

**RECOMMENDATION / REQUESTED ACTION:**

Staff recommends approval to award to K.M. Davis Contracting Co. Inc, 3259 Austell Road, Marietta, Ga 30008, in the amount of \$69,265.00 to be funded from Stormwater CIP for the construction of a storm drain system behind the residences at 4650 and 4670 Derby Lane and 4700 Harness Court and authorize the Mayor to execute all related documents.
