Hi Ashley,

Please see the below details for the upcoming proposed 13th Annual Oysterfest:

- There will be an estimated 70% food sales & 30% beer, wine and liquor.
- All alcohol sales will take place within the restaurant itself and inside the tent (extension of premises) only.
- Everyone gets carded with each and every purchase of alcohol by the bartender and/or server.

Please let me know if you have any questions or concerns.

Thank you so much,

Kevin Drawe
