City of Smyrna

JRM Management would like to request a temporary permit to conduct and manage alcohol sales for the Crafts and Drafts on the Green Festival- October 26-27, 2024, in conjunction with Atkins Park Tavern and proceeds benefiting Smyrna Education Foundation. The temporary permit dates will need to be from October 25-28, 2024. This will allow for better flexibility and to better service the event.

Sincerely,

Bill Watson, Festival Coordinator
