***Ward 6 Mayor Pro Tem / Councilmember - Tim Gould***

***Ward 3 Councilmember - Travis Lindley***

**ISSUE AND BACKGROUND:**

The City of Smyrna requested that Croy Engineering provide land surveying, civil engineering, architectural and aquatics/pool design services for the preliminary design and concept development of a proposed redevelopment of the existing Tolleson Park facility. Croy, along with its sub-consultants, agreed to develop up to three conceptual layouts based on potential budget ranges from 8-12 million dollars. Croy's proposal incorporates the terms and conditions of the Professional Services Agreement for Smyrna 2022 SPLOST Program Management Services dated June 7, 2021. The scope of services will include 5.4 Acres Partial Site Survey, Preliminary Engineering and Concept Development, Conceptual Aquatics Layouts, provided by Counsilman-Hunsaker, and Visions Design Package and Perspective Rendering by Nelson, all totaling \$113,765.00.

**RECOMMENDATION / REQUESTED ACTION:**

Parks and Rec staff recommend the authorization for the approval of the Croy Engineering Professional Engineering Services Agreement for the Tolleson Park Aquatics Center - Concept Development in the amount of \$113,765.00 to be paid from 2022 SPLOST - Aquatics Center and authorize the Mayor to sign and execute all related documents.
