Regarding: 2200 Lake Park Drive - Smyrna

Please note that the location of the modular units will be on the existing asphalt parking lot, refer to the Site Plan (sheet A-100). The placement of these units in the existing parking lot will not disturb the critical root zone of any specimen trees, including boundary trees, in the area.

Respectfully,

A handwritten signature in black ink, appearing to be 'P. Corkill', written over a light gray circular stamp.
