Street Closings Descriptions for Approval - 2024

The following is an outline of anticipated street closings specific to the proposed 2024 City events, requiring restricted or no use of roadways and parking spaces for a period of time understood to be a sustained period of time for approved event purposes. * Other closings due to events proposed and requested by Smyrna Market Village merchants (for instance) and closings for Memorial Day and Veterans Day for events managed by outside organizations, as well as other events that may be proposed or altered after the date of the 2024 City Event Dates approval, may be identified through other processes such as the road race approval process or additional event approval requests actioned through the City Council approval process or as deemed appropriate for City Administration to approve. **The following street closings are specific to downtown and/or special events either managed by or through the City of Smyrna Community Relations Department and/or the Parks & Recreation Department staff.**

1) Jonquil City Jog – 5K / 1mile and Tot Trot – April 20, 2024 (Community Relations / Racing Solutions/ Support Smyrna)

Start / Finish - The Jonquil City Jog 5k will require the closure of the lower section of the Market Village at the pavilion and parking spaces adjacent to King Street at City Hall (will need street closings as early as 4:00 am for Start & Finish setup). This includes Bank Street between the Veterans Memorial and City Hall terminating at the entrance to the residential properties at Village Walk as well as King Street from Bank up to Stephens Street for the main event service space (including blocking access to the space from the dentist office parking lot at King and Stephens).

Race Course - The following roads will be closed for the Jonquil City Jog course at varying lengths of time beginning at 7:45 a.m. and ending by 10:00 a.m. (generally cleared by 9:30 a.m.): King Street from Bank Street to Stephens Street (within the event enclosure for the Spring Jonquil Festival); with Bank Street at Village Walk to Hamby Street; Hamby to Powder Springs Street (circling the Arboretum / behind the Community Center) to Atlanta Road closing for the start of the race and clearing for reopening once runners have cleared the area and entered Atlanta Road at Powder Springs. Two lanes of Atlanta Road at Powder Springs (southbound) along Atlanta Road to Campbell Middle School will close to vehicular traffic with intersections along the way closed to vehicular traffic until runners clear the intersection of Atlanta Road and Church (at Publix and Ken's Corner Grill) as runners complete the course). Smyrna Police Officers will manage intersections, traffic flow, pedestrian/runner safety and access along the aforementioned in addition to Church from Atlanta Road to the intersection of King and Church; from the intersection of King and Church down King to the finish line with additional closings at Stephens and King Street and limits of vehicular traffic in the area of Stephens St., King Street and adjoining parking lots (Smyrna First Baptist Church and the Dentist Office) until the conclusion of the event.
