ISSUE AND BACKGROUND:

The City of Smyrna is operating an enhanced 911 system which facilitates the dispatching of emergency services to the residents of Smyrna; and the City has imposed and collected a monthly 911 charge of \$1.50 from telephone subscribers within the area served by such system and has established a separate restricted revenue fund into which the 911 charges are deposited; and these funds alone are not sufficient to pay for the operation of the enhanced 911 system and the City must annually reaffirm the need for the \$1.50 911 charge on telephone subscribers.

RECOMMENDATION / REQUESTED ACTION:
