Approval of RES2023-012 for the adoption of the City of Smyrna Emergency Plan (EOP) and adoption of the plan as attached and authorize the Mayor to sign and execute all related documents.

***Citywide***

**ISSUE AND BACKGROUND:**

The City of Smyrna is required to maintain and submit a revised Local Emergency Operations Plan to the Georgia Emergency Management Agency on a four-year cycle. Smyrna's proposed plan is based on a FEMA approved template and provides a comprehensive framework for City-wide emergency management in that it addresses the roles and responsibilities of government organizations and provides a link to local, State, Federal, and private organizations and resources that may be activated to address disasters and emergencies in the City of Smyrna. The plan ensures consistency with current policy guidance and describes the interrelationship with other levels of government and will continue to evolve, responding to lessons learned from actual disaster and emergency experiences, ongoing planning efforts, training and exercise activities, and Federal guidance.

**RECOMMENDATION / REQUESTED ACTION:**

Staff recommends approval of RES2023-012 for the adoption of the City of Smyrna Emergency Plan (EOP) and adoption of the plan as attached and authorize the Mayor to sign and execute all related documents.
