***Ward 6 Mayor Pro Tem / Councilmember - Tim Gould***

**ISSUE AND BACKGROUND:**

This is a request based on an evaluation that was performed of the storm water runoff that discharges from Memory Lane and passes through the properties of 1533, 1523, 1503, and 1493 Collier Drive. This request will improve the current condition as the conveyance system in place now is not adequately sized nor did the system ever have proper drainage easements associated with it. All work will be properly documented and recorded as part of this request.

**RECOMMENDATION / REQUESTED ACTION:**

Staff recommends approval of Authorization for Collier Drive at Memory Lane in the amount not to exceed \$327,655.78 to be constructed by Ardito Construction Company (1290 Austell Road SE, Marietta, GA, 30008) to be funded from the FY26 Stormwater Fund and authorize the Mayor to sign and execute all related documents.
