Agenda Title:

Approval to remove the Deputy City Administrator/Chief Financial Officer from the classification and pay system

Citywide

ISSUE AND BACKGROUND:

Given the uniqueness and complexity of the Deputy City Administrator / Chief Financial Officer's combined responsibilities, the position no longer fits into our standard management classification and pay structure. Like the City Administrator role, the position should be removed from the classification and pay system as long as the job remains combined with the CFO responsibilities and direct oversight of the finance department.

This change will allow the City to adequately compensate the incumbent for this unique role.

RECOMMENDATION / REQUESTED ACTION:

Staff recommends approval to remove the Deputy City Administrator/Chief Financial Officer from the classification and pay system
