Agenda Title:

Authorization to approve TLS Electrical Company, Inc. (1750 Corn Road, Smyrna, GA 30080) to perform the relocation of city-owned electrical wiring and components out of the privately-owned electrical rooms located at 1260 & 1265 West Springs Street. The cost of the construction and relocation is in the amount of \$145,000.00 not to exceed and authorize the Mayor to sign and execute all related documents.

Ward 3 Councilmember - Travis Lindley

ISSUE AND BACKGROUND:

This request is based off the current conditions of the City of Smyrna having electrical wiring and components as well as paying for 1260 & 1265 West Spring Street common area lighting and outlets electric bill. The city has no affiliation with either building, has no responsibilities for maintenance, and has no responsibility for paying the development's common area electrical. At the direction of the City Attorney, the city needs to separate City of Smyrna electrical responsibilities from the private property entity and on to city-owned and maintained property. This project is to be funded out of SPLOST Account # 22149901-541350-2-202 and will require a budget amendment for this project.

RECOMMENDATION / REQUESTED ACTION:

Public Works and Finance recommend approval of the authorization to approve TLS Electrical Company, Inc. (1750 Corn Road, Smyrna, GA 30080) to perform the relocation of city-owned electrical wiring and components out of the privately-owned electrical rooms located at 1260 & 1265 West Springs Street. The cost of the construction and relocation is in the amount of \$145,000.00 not to exceed and authorize the Mayor to sign and execute all related documents.
