City of Smyrna

JRM Management would like to request a temporary permit to conduct and manage alcohol sales for the Crafts and Drafts on the Green – October 28 -29, 2023, in conjunction with Atkins Park Tavern and proceeds benefiting Smyrna Education Foundation. The temporary permit dates will need to be from October 27-30, 2023. This will allow for better flexibility and to better service the event.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bill Watson'.
