Department: Engineering

Agenda Title:

Approval of "No Parking" signs on Jonquil Drive

Ward 2 Councilmember - Latonia P. Hines

ISSUE AND BACKGROUND:

Jonquil Drive is approximately 20 ft wide and vehicles park along the curve which restricts two-way traffic flow and impacts the sight distance of opposing traffic. The parked vehicles begin near the intersection of Mosaic way and stack towards the cul-de-sac. There are also large commercial trucks that access Jonquil Drive.

RECOMMENDATION / REQUESTED ACTION:

The Engineering Department recommends installing "No Parking/R8-3" signs along Jonquil Drive beginning at Mosaic Way and ending at the cul-de-sac. This will restrict parking along both sides of Jonquil Drive and keep the roadway open for two-way traffic flow.
