Agenda Title:

Approval of "No Parking" signs on King Springs Road

Ward 6 Mayor Pro Tem / Councilmember - Tim Gould

ISSUE AND BACKGROUND:

Vehicles park on King Springs Road in the deceleration and acceleration lane for the Tolleson Park entrance. The parked vehicles obstructs the line of sight for vehicles exiting the park and prohibits vehicles from using the acceleration lane to safely merge on to King Springs Road.

RECOMMENDATION / REQUESTED ACTION:

The Engineering Department recommends installing "No Parking" signs along the west side of King Springs Road beginning just south of the Dunn Street intersection and ending just north of the Cliffwood Drive intersection.
