A PROCLAMATION
BY THE MAYOR OF THE CITY OF SMYRNA
In Recognition of Resiliency Week
February 5-9, 2024

Whereas: every person is born with the capacity to become resilient, yet we must all strengthen our knowledge, skills, and capacity to process and overcome challenges; and

Whereas: many individuals in Cobb County are exposed to various forms of trauma, stresses, physical and emotional burdens and challenges, which can vary based on context and the different circumstances faced by individuals across our county; and

Whereas: understanding our feelings, developing coping skills, and interacting with others in a healthy way are opportunities for growth; and

Whereas resilience is the quality that carries us forward to adapt and recover from adversity and from the impacts of stress and trauma; and

Whereas: Cobb Collaborative engages with partners and works across our community to provide education, resources and tools to help individuals cope with challenges, manage stress and make healthy choices to build their resilience; and

Whereas: the City of Smyrna recognizes the importance of resilience and that the key to a stronger, healthier and more connected future for the residents of our city lies in promoting supportive relationships and resilience; Now

Therefore: I, Derek Norton, Mayor of the City of Smyrna, Georgia do hereby proclaim February 5-9, 2024 as Resiliency Week in Smyrna, Georgia, and call upon our citizens, government agencies, public and private institutions, businesses, and schools to commit to increasing awareness and understanding of resiliency and promoting supportive relationships.

9. Formal Business

- A. AGR2024-003** 2024 Renewal of the Statewide Mutual Aid and Assistance Agreement and authorize the Mayor to sign and execute all related documents.
Citywide

Joe Bennett, City Administrator, provided the following background:

In times of disasters a municipality's personnel and resources can quickly become overwhelmed. In these situations, cities and counties rely on their neighboring jurisdictions or other state municipalities to assist. The Statewide Mutual Aid and Assistance Agreement serves as formal consent to offer assistance to other Georgia cities or counties in time of disaster, if able. It should be noted that this agreement in no way requires the City of Smyrna to provide personnel or resources to municipalities in times of disaster. This agreement is filed with the Georgia Emergency Management Agency and is on a four-year renewal cycle. Smyrna Fire Department recommends approval.

Councilmember Travis Lindley made a motion to approve item AGR2024-003; seconded by Councilmember Latonia P. Hines.

Citywide

Joe Bennett, City Administrator, provided the following background:

The City plans to contract with Smyrna Little League for reimbursement for the reconstruction of the batting cages at Chuck Camp Park. The batting cages were removed for the construction of the new storage building at Chuck Camp. The City will handle the project, and Smyrna Little League will reimburse the City. Estimated cost of this project is \$85,000.

We have several ARPA fund projects that have already or will exceed the budget established during the budget process. Parks and Recreation has provided estimates for the amount needed to complete these projects.
