Agenda Title:

Authorization for the installation of “No Parking” (R8-3a) signs along Reed Street beginning at Belmont Avenue and ending at Pierce Avenue to restrict parking along both sides of Reed Street and keep the roadway open for two-way traffic flow.

Ward 3 Councilmember - Travis Lindley

ISSUE AND BACKGROUND:

Reed Street is approximately 24 feet wide. Vehicles park, primarily, along the west side of Reed Street between Belmont Avenue and Pierce Avenue. This restricts two-way traffic flow and impacts the sight distance of opposing traffic.

RECOMMENDATION / REQUESTED ACTION:

The Engineering Department recommends installing “No Parking” (R8-3a) signs along Reed Street beginning at Belmont Avenue and ending at Pierce Avenue. This will restrict parking along both sides of Reed Street and keep the roadway open for two-way traffic flow.
